Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Monday 13 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
East mainly dry, rain in the west on Tuesday.

This Evening and Tonight:
Scattered showers through the evening, which merge to longer periods of rain towards dawn, as the strong westerly winds back southwest and occasionally touch gale force. Minimum temperature 1 deg C (34 deg F).

Tuesday:
An overcast day with occasional rain, persistent at times across western areas. Some drier spells in the east. Strong west to southwest winds touching gale in west. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Wednesday rather cloudy with patchy rain in south, while north stays dry and occasionally bright. Thursday and Friday mainly fine, dry and occasionally sunny.
